Dear Friends,

I want to take this opportunity to thank you for allowing me to recommend the Pipers and Scotland Missions. Bro. Dan and his wife, Mel, are faithful members of our church with a God given passion to see souls saved and churches planted among the Scottish people. Saved and baptized at Columbus Baptist Church in 1998, Dan first stepped out into full-time mission work as a Mission Builder in July of 2000. While traveling across the United States and all around the world to physically work and build on churches, the deep desire to spiritually build God's kingdom never left him. Then in October of 2006 while on a Mission Building trip to Romania, Bro. Dan stopped in Scotland on his return flight home. God's timing is always perfect and it was there and then that God made known His will for them to surrender as missionaries to the country of Scotland. After much prayer and with great joy, Columbus Baptist voted on April 1, 2007, to continue as the Piper's sending church authority in this new direction as missionaries to Scotland. On June 9, 2007, we officially ordained Bro. Dan as a trustworthy minister of God's Holy Word.

The Piper's have our full confidence that God is going to use them in a tremendous way in Scotland. I know that they would love to come and share their zeal for lost souls and growing churches there. As their sending church, we also would earnestly covet your prayers and, if the Lord wills, your financial support. If you have any questions or need more information, please feel free to contact me directly anytime at (812)350-6316 or email me at ckennedy1065@columbusbaptist.net. May the Lord bless each of us together as we live daily for Him !!!

Sincerely,

Charles D. Kennedy
